899 says it has press release attached. It doesn't. HQ Supervisor Bill Gunn phoned and dictated the press release to B'ham office steno, told B'ham to phone Atlanta and Memphis. (Not TT?) To await HQ clearance 4/17/68

1018 says safe deposit box key returned 12/13/68 (meaning 67)

1A1-127. Donald F Wood's signed statement omits Ray's ignorance about rifles. But U.L.Baker's says Ray "not familiar with guns." 1A48, DeShazo made his own notes (part of 1A51) he is explicit that Ray was not a "sportsman," in the sense of knowing guns.
